But this is only one part of Minecraft, the real fun part comes when players start to build furniture, create rooms, ships or even whole towns. In the

beginning of the game players will probably only know how to mine for stone and wood. If they want to build something they have to find these items in the world. But there are other materials out there as well like gold, diamond and even iron.",

Just like Lego, Minecraft is a set of blocks and there are some rules for it. But unlike Lego, these rules are almost impossible to understand for new players and you might have a hard time creating many interesting things using these blocks. So what do you need to know?",

The game has received generally positive reviews from critics, though many of them attributed the game's success to its unique premise. In 2021, a review published by "PC Gamer" gave "Rust" an eight out of ten score and praised it for its "very interesting take on survival". Andrew Webster of IGN gave the game a 7.5/10, stating that despite its flaws, "Rust" was one of the few games providing a dynamic, open world survival experience on the PC. He went on to say that even though he believes the game may not appeal to everyone due to its in-your-face realism, he still encourages other fans looking for such a game to try it out.",
